

ACCESSORIES

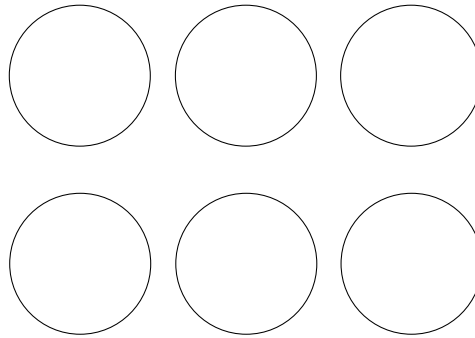

Plan accessories that enhance your design and complement the performance. Remember, bright stage lighting requires under-shorts or slips for see-through designs.

HAIR & MAKEUP

Plan your model's hair and makeup, considering the overall look. Use bright, strong colours for stage lighting. Apply eyeshadow or makeup on this sheet to show exact colors.

THE WHOLE LOOK

Plan your model's final look to best showcase your design. Consider both front and back views, and how makeup, hair, accessories, and design will come together.
